

TABLE OF CONTENTS

| | PAGE | | PAGE |
|---|------|--|--------------|
| "Operational Research in Electricity Distribution and Utilization" (A Review of Progress). By P. Schiller, Dipl.Ing. | 229 | Discussion on "Fault-Throwing Tests on the 132-kV Grid System under Normal Working Conditions": | |
| "The Development of the Electrical System on the Bristol Brabazon I Mark I Aircraft." By M. J. J. Cronin | 269 | Before the North-Western Measurements Group | 320 |
| Discussions: | | "North-Eastern Centre | 322 |
| Before The Institution | 280 | "Southern Centre | 322 |
| "North-Western Centre | 285 | Digests of Papers: | |
| "Servo Mechanisms" (A Review of Progress). By A. L. Whiteley, D.Sc. | 289 | "An Iconoscope Electro-Optical Shutter for High-Speed Photography." By H. A. Prime, M.Sc., and R. C. Turnock, M.Eng. | 76 |
| "Mechanical Handling." By A. Roebuck, H. S. Carnegie and E. G. Taylor, B.Sc.(Eng.), (Abstract) | 298 | "The Dielectric Breakdown of some Simple Organic Liquids." B. Salvage, B.Sc.(Eng.), Ph.D. | 227 |
| "Modern Conceptions of the Structure of Matter" (Forty- Second Kelvin Lecture). By Sir John Cockcroft, C.B.E., F.R.S. | 301 | "A History of the Theory of Information." By E. Colin Cherry, M.Sc. | 346 |
| "The Evolution of the Lighting Art" (Utilization Section Annual Lecture). By J. W. T. Walsh, M.A., D.Sc. | 309 | Annual Accounts for 1950 | 256 |
| "Cathode-Ray Tubes" (A Review of Progress). By L. F. Broadway, B.Sc., Ph.D. | 316 | Annual General Meeting, 1951 | 265 |
| | | Meetings of The Institution: Abridged Minutes | 60, 127, 263 |
| | | Report of the Council for 1950-51 | 239 |
| | | Index | 349 |

KEY SHOWING PAGES CONTAINED IN EACH NUMBER OF PART I OF THE PROCEEDINGS

| Pages | No. | Month (1951) |
|---------|-----|--------------|
| 1-72 | 109 | January |
| 73-128 | 110 | March |
| 129-192 | 111 | May |
| 193-268 | 112 | July |
| 269-300 | 113 | September |
| 301-348 | 114 | November |

CORRIGENDUM TO VOL. 98, PART I, 1951

Page 207, Fig. 2: The pairs of frequencies marked "(a)" and "(b)" should be transposed. (The accompanying text is correct.)

ADDITIONAL CORRIGENDUM TO VOL. 97, PART I, 1950

Page 130, col. 2, line 7: "... exactly the same ..." should read "but not exactly the same ..."
